

DealLab Demonstration Agreement

SYNTHETIC DEMO DATA - NOT A REAL CONTRACT

DealLab Demonstration Agreement

Provider: AsterGrid AI Infrastructure Pvt. Ltd.

Customer: ACME Enterprise Pvt. Ltd.

Product: AsterGrid Enterprise API Platform

Effective date: 01 October 2026

Minimum contract term: 12 months

Currency: INR

1. Commercial Fees

ACME will pay an annual base price of INR 30,00,000 for the AsterGrid Enterprise API Platform.

Billing frequency is annual in advance.

2. Included Usage

The annual base price includes 1,000,000 API units per month, equivalent to 12,000,000 API units per contract year.

3. Overage

Usage above the included allowance is charged at INR 0.20 per API unit.

Monthly overage charges are capped at INR 1,00,000 per month.

4. Introductory Discount

A one-time 15% introductory discount applies to the first 3 months of the initial contract term only.

The discount does not apply after month 3 unless separately approved in writing.

5. Support

The provider will make commercially reasonable support available to ACME for production API issues.

For this synthetic demo, the support allowance is broad and operationally interpreted as unlimited support during the initial term.

No separate support overage fee is specified in the agreement.

6. Implementation

AsterGrid will provide onboarding, API credential setup, sandbox migration assistance, and launch support.

Implementation obligations are included in the annual base price.

7. Service Level Agreement

AsterGrid will use commercially reasonable efforts to maintain 99.5% monthly platform availability.

If monthly availability falls below 99.5%, ACME may receive service credits equal to 5% of affected monthly fees.

8. Renewal Pricing

Each renewal term will increase by 8% over the prior term unless modified by amendment.

9. Rebates

No recurring rebate applies to this agreement.

10. Human Approval

Any revised commercial terms prepared by DealLab are recommendations only and require human approval before legal documentation is changed.
